

# THE GIVING EXCHANGE 2015

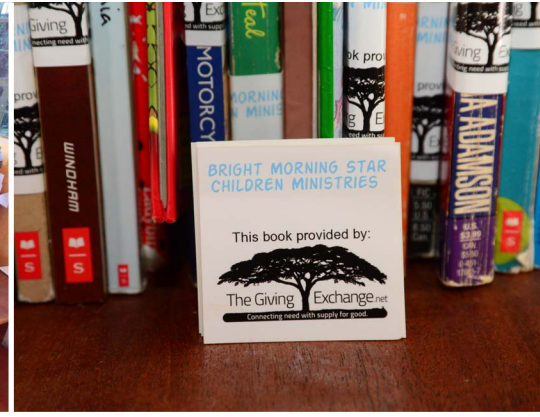

# WE CONNECT NEED WITH SUPPLY FOR GOOD, WITH AN EMPHASIS ON SELF SUSTAINABILITY.

We do projects around the world to help people.

PROJECT  
**01**

# CHICKEN COOP

NAIROBI, KENYA

We built and worked with the local team to run a chicken operation, starting with 1,500 chickens and the ability to scale to 4,000 someday. This entity is a revenue stream for the orphanage, and it also teaches the children valuable life skills.

PROJECT  
02

# ART THERAPY

NAIROBI & KITALE, KENYA

We work with a licensed and certified therapist to conduct art therapy workshops that help orphans process their emotions and talk about their feelings.

PROJECT  
03

# PING PONG TABLE, BACKPACKS AND BALES OF CLOTHES

PROJECT  
04

# BEDS AND LOCKERS FOR 60 ORPHAN CHILDREN

KITALE, KENYA

# OUR MISSION

The Giving Exchange's mission is to improve the economic and social conditions of underprivileged communities around the world by promoting sustainable initiatives and connecting people in need with those who can provide the necessary resources. The Giving Exchange not only provides equipment, training, labor, logistics and funding to meet the immediate needs of each project, but it also assists each organization in finding a sustainable solution tailored to meet the long-term financial needs of each project.
